Ray Charles: Young Musician (Childhood Of Famous Americans)

Synopsis

One of the most popular series ever published for young Americans, these classics have been praised alike by parents, teachers, and librarians. With these lively, inspiring, fictionalized biographies -- easily read by children of eight and up -- today's youngster is swept right into history.

Customer Reviews

My son had to read an American biography and this book turned out a simple and great read for him. He also really enjoyed the book.

Great resource for my grandson's project!

I bought this for my dad because he enjoys reading about famous people. It was not what I thought it would be. It looks like a childs book inside with penciled pictures. Not impressed
