Customer Reviews

Unfortunately, this book is a huge disappointment. The first page has 2 sentences, and all subsequent pages have just one very brief sentence. But what is worse than that, is that the translation to German allegedly was done by a person with a PHD. "Ein hungriger Drache roestet sein grillen." Anyone know what that is? I do not, and I am a native speaker of the German language. That is not the kind of language I would want my bilingual grandson to hear or read. While the illustrations have potential, the text in English, as well as in German, needs a lot of work. I really cannot recommend this book in terms of written content in either language.
