Build Your House Upon A Rock

Synopsis

Hank Smith loves the youth of the Church, and it's easy to see why they love him in return. Hank has a unique ability to connect with youth, to make them laugh, to help them feel the Spirit, and to want to do better in life. In *Build Your House upon a Rock*, Hank encourages youth to look at their foundations those things they do that are part of their private or unseen life. He shares with them specific things they can do to learn self-mastery, to overcome temptations, and to live the standards found in *For the Strength of Youth*. Using the example of the new Provo City Center Temple, he gives youth hope that they can overcome any challenges as they examine their own foundations and turn to the Savior. This extended-length talk delivers a life-changing message that both youth and their parents will treasure. Also included in this 2-CD set is a bonus talk, *How Can I Know If I Am Feeling the Spirit?*

Customer Reviews

As always, Hank Smith delivers another inspirational message! I bought this based on his other CD's and because my teens were begging me to but to be honest, I thought if he goes with the whole faith thing, we have already kind of heard that. What more could possibly be said about this particular teaching of Christ's? I was pleasantly surprised with the insights that he came up in regards to building your house upon a rock with the idea of a public and private life (The idea is simple but brilliant). I also really loved his reference to C.S. Lewis's "The Great Divorce" I love C.S. Lewis-I am pleased that he is introducing youth to great authors like C.S. Lewis and helping them to interpret and be excited about the things C.S. Lewis writes (If you are a teen and haven't read The

Chronicles of Narnia it is a must read!) This CD is also fantastic because it is a lot longer than his other CD's as it also has the bonus talk about how to know when you are feeling the Spirit. We listen to Hank all the time on trips and he always has us laughing but he leaves you with a message that is not soon forgotten and is worth listening to again and again.

We have listened to a few of Hank Smith's CDs, and this one has been our favorite so far. So many great stories, always with a spiritual connection. Hank Smith is hilarious, and yet can turn it to uplifting and powerful, with a lasting impact. Our whole family loves his CDs!

I absolutely love every CD I have of Hank Smith (and I have them all) My favorite CD of his is Unshaken but I think this one is my next favorite. he will make you laugh and feel the spirit the entire way through his talks. If you have youth, then I would HIGHLY recommend getting all of his CD's and listening to them regularly!

Our family love's listening to any one of Hank Smith's cd's. We bought this one as soon as it came out and our family of 6 all love this cd! This one happen's to be my favorite! I especially love the bonus talk and how you help the youth learn to recognize the Holy Ghost!!
