Very Good, but I like Kenneth Copeland's "Healing Scriptures" CD better. There's something about a man's deeper voice that seems to penetrate into the core of my being. Gloria's softer voice would be more appropriate for playing in a child's room or while napping. In this version, the scriptures are also read at a faster pace. Again, this isn't necessarily bad, but I prefer Kenneth's slower, more powerful delivery.

I bought this CD after I was diagnosed with a stage 1b melanoma. I knew right away that I needed to have the Word of God being spoken over me declaring my healing. It has been such an encouragement to me. I listened to it every day, sometimes a couple of times a day, before I went in for surgery to remove a large portion of skin and to also have some lymph nodes removed and tested. I was very nervous and anxious about the surgery and listening to the Healing Confessions spoken and declared on this CD really helped to calm my nerves, to help me to stand upon the

Word of God for my healing, and to get my mind focused on the fact that God was and is in control. After the surgery, I have listened to the CD to confirm and declare the fact that I am healed in the Name of Jesus. A week after the surgery my doctor told me that the large amount of skin that was removed from my inner thigh tested negative for melanoma and so did the 4 lymph nodes that were removed from my groin. Praise the Lord, I am cancer free!

As far as the sender went the CD came on time so that was great. The CD itself is done in a manner where Gloria Copeland speaks so fast through the scriptures that it doesn't give you any time to contemplate on them or memorize them so you can repeat them yourself throughout the day. I'd like more time for reflection, to journal and reading the scripture without having to shut off the CD player after every one.

I am 76 years old & was raised on the King James Bible; the scriptures on this cd are from the "Amplified Bible", which is more descriptive; for me all I hear is words & more words...while I am trying to relate it to my memory of what the KJB says; it just keeps going on, & I become lost in all the words.... It is The Word God, it is just difficult for me to meditate on...you may enjoy it.

This is the authentic word of God. Gloria's voice is soothing and healing. The Word gets into my spirit as I listen during the night. I prefer to read the booklet out loud before I listen to the CD. I have purchased another copy just in case something happens to the first one. I do not want to be without it and neither do you!

The bible scriptures in this CD are very inspiring and helpful, especially during the challenging and difficult times of my recovery. They gave me a lot of comfort and peace as I played them over and over.

You can never really go wrong with teaching from Gloria Copeland! Just solid stuff to build your faith!! I love it!

Excellent and rewarding, help me in the most difficult times in my life!!
