Managerial Accounting (4th Edition)

Synopsis

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

For courses in Introduction to Management Accounting **Managerial Accounting, Fourth Edition** helps students make the connection between managerial accounting concepts and the businesses they deal with everyday through strong coverage and effective practice. By presenting actual accounting decisions made in companies like Target and J. Crew, the text's precise coverage of the core concepts engages students in the learning process. **MyAccountingLab** for **Managerial Accounting** is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams "resulting in better performance in the course" and provides educators with a dynamic set of tools for gauging individual and class progress. This program provides a better teaching and learning experience "for you and your students. Here's how: **Personalized learning with MyAccountingLab** "the online homework, tutorial and assessment program that helps students succeed in the classroom and beyond. Students see the connections between accounting concepts and the businesses they interact with everyday. Students learn from the latest information on important topics in the field. **Note:** You are purchasing a standalone product; **MyAccountingLab** does not come packaged with this content. If you would like to purchase both the physical text and **MyAccountingLab** search for ISBN-10: 0133803805/ISBN-13: 9780133803808. That package includes ISBN-10: 0133428370/ISBN-13: 9780133428377 and ISBN-10: 0133451488/ISBN-13: 9780133451481. **MyAccountingLab** is not a self-paced technology and should only be purchased when required by an instructor.

Customer Reviews

So far so good. I don't recall having come across this publisher or this author before. I like that the author does a road map of what she sets out to accomplish and helps guide the readers along the way, which I think is immensely helpful as the information can get convoluted. It's one thing to know how to do something, but also knowing the why will make this far more effective. And like I said, so far so good.

INCLUDES AN INVALID ACCESS CODE! DO NOT BUY!!!

This is a well written text book. It has very detailed examples and instructions. The MyAccountingLab feature was amazing. There wasn't much in this text I don't understand but I did have an occasional instance where I was confused. With MyAccountingLab access after completing a few exercises I was feeling much more confident in my work. FYI I passed this class with an A!

This book does NOT include the access card!

NO ACCESS CARD PACKAGE

Don't Buy from this seller.INCLUDES AN INVALID ACCESS CODE! DO NOT BUY

Shrink wrapped with code inside hard cover book. Must remove wrap to get to sealed code. Code works fine.

Did not come with any sort of access code at all, not even an invalid one. DO NOT BUY!!!!
