California Dreams: Mind Over Matter, The Name Of The Game

Synopsis

From #1 New York Times bestselling author Nora Roberts come two classic stories about falling in love along the golden coast. *Mind Over Matter* Theatrical agent Aurora Fields has always kept her personal life separate from her professional one, but that changes the moment she meets David Brady. David can tell that Aurora's icy exterior is just a front, and he's determined to discover what secrets she's hiding. Smooth operators like David have never been an issue for Aurora before; she's usually immune to their wiles. So what is it about David that leaves her heart reeling? *The Name of the Game* Johanna Patterson has worked long and hard to make a name for herself, but now she's a successful game show producer on her way up, answering to no one. So then how does actor Sam Weaver always manage to slip past her defenses and coax her into his arms? Johanna learned long ago to never rely on anyone. Surely she can resist Sam's persistent charms. Can't she?

Customer Reviews

I was very disappointed in this store. Slower than snails pace. Reminded me of the old Harlequin novels.

Re-packaged book from the 80's, so it reads very dated.

Boring.

was great
