Synopsis

Birtheright Recruited for her expertise on an Antietam Creek dig, archaeologist Callie Dunbrook encounters danger as a cloud of death and misfortune hangs over the project. She finds a passion that feels equally dangerous, as she works with her irritating, but irresistible, ex-husband, Jake. And when a strange woman approaches her, claiming to know a secret about Callie's privileged Boston childhood, some startling and unsettling questions are raised about her very identity.

Northern Lights With nowhere else to go, Nate Burke accepts the job as Chief of Police in a tiny, remote Alaskan town. Meg Galloway, born and raised in Lunacy, has learned to be independent. After her New Year's kiss with the Chief of Police, she allows herself to give in to passion. And now, things in Lunacy are heating up. Years ago a crime occurred and Nate suspects that a killer still walks the snowy streets.

Blue Smoke The blaze that night at her family's pizzeria changed young Reena Hale's life in more ways than one. As Reena gazed into the fire, her destiny began to take shape. She would study, struggle, and walk the gauntlet to one day become an investigator herself. But she is not the only one fascinated by the flames. Someone else is obsessed not with conquering the fire but with controlling it, owning it, using it to exact vicious revenge.

I haven't listened to all of the books in this collection yet but have read them all in the past. Nora Roberts is one of my favorite authors and always tells a good story with characters that I really like.

Can't go wrong with Nora Roberts. I do prefer unabridged over the abridged versions.

Once again Nora Roberts does not fail to keep the worker-bee entertained. It was a pleasure to listen to audio books while I worked with the mundane typing which requires not thought processing. Nora Roberts is the type of detailed writer that fascinates me to no end, I must say I tip my hat to the visual effect that is created behind her writings. Kudo's

I love Nora Roberts. Her characters are well developed, her plots have twists and turns that keep you guessing what will happen next. And most importantly, her books are all different. If you like romance genre you will like her too.

I bought this CD collection because I love Nora Roberts books and I am on the road a lot. I enjoyed listening to Northern Lights and Blue Smoke, but didn't care for the narrator for Birthright. If I didn't like the story itself so much, I probably wouldn't have been able to endure listening to it till the end. If you like listening to books on CD I would still recommend buying this collection. I felt 2nd and 3rd stories were well narrated. You may like Birthright, but I just couldn't warm to the narrator's voice for the main characters. I still gave this cd collection 4 stars. I will definitely keep my collection.

I enjoy the way Nora has her characters interact with each other in a realistic manner. Seems that we could learn something but also it is great to have a happy ending.

Was bought as a requested gift- the person to whom the gift was for enjoyed the stories. Delivered in short order/ and were as described

like the idea of getting 3 books in one purchase. I enjoy the series more, because the story continues longer.
