Cases In Nonprofit Management: A Hands-On Approach To Problem Solving

Synopsis

Case Studies in Nonprofit Management by Pat Libby and Laura Deitrick consists of original cases that are designed to teach students how to think critically, hone their decision-making skills, and learn to apply leadership and management principles that are essential for any nonprofit professional. These case studies illustrate the multifaceted nature of the nonprofit management sector and bring concepts like nonprofit leadership, risk management, advocacy, and grant making to life.

Customer Reviews

I have used these cases in several undergrad and graduate courses. The students love them! The scenarios described in this book are very, very common and give students a realistic perspective of the complexities of nonprofit sector leadership.

excellent! Comprehensive, practical study guide for common issues of nonprofits
