I had purchased Vol. III a few years ago and really liked it, so I needed to get Vol. I and II. Finally got them for Christmas this year and they are great. If you like Louis L'Amour, and the Bowdrie series, you'll love these dramatizations. They are well done short stories, that are excellent for listening to on road trips.

This is an interesting series of short stories about a Texas Ranger that captures one's interest and holds the interest throughout the entire story. These stories would make a fantastic movie or television show. The dramatization factor makes the story even more interesting. My suggestion - get all of the Chick Bowdrie stories and listen to them in order.

The stories in "The Collected Bowdrie Dramatizations: Volume II" are great additions to my Bowdrie CD collection. They are well done and provide continuous storyline. I can't wait for Volume III!

I ordered three volumes and voice of main character is same person in all recordings... NICE

TOUCH. Stories are short, good for commute time --although I burned thru all quickly because I kept turning on everytime I got into the car!

My husband and I like most anything by L'Mour but we especially like everything about Chic Bowdrie. He is a very interesting character. We like to listen to the audio tapes as we drive down the road. Before we know it we are at our destination. We have a lot of the Bowdrie series. We have 17 Louie L'Mour audio tapes (most of them about Chic Bowdrie). We really like the tapes that have multiple voices. ENJOY!

For long car trips this is the cure. Time flies by with these CDs as the actors and soundtrack are spot on. Highly Recommend. Has six CDs and each short story is about an hour long.

A fantastic alternative for the listening commuter. Thoroughly enjoyed the stories. One finds themselves engulfed in the Old West.of the USA.

I spend a lot of time in the car and have found L'Amour's short stories a great way to pass the time. I have always liked westerns and these are great stories. also, purchase, shipping and timeliness of order was superb.
