## Customer Reviews

Wow! This is an amazing little book that presents the story of John the Baptist from a perspective I doubt that most people have ever considered! You will feel as if you are right there in the story with John and you will connect with him, not merely as a "hero of the faith," but as a real person. The story is a fictional account but it is based on the true story of John the Baptist from Scripture. In fact, it is more than just "based" on it because every element from the story here is consistent with Scripture and history. Gene is a wonderful story teller and has created dialogue and included historical elements to piece the story of John's life together in a way that introduces you to the real character. The story does not depart from Scriptural truth at all but actually will help the reader to see it in a clearer, more personal and meaningful light and apply it personally. The message of this book will grip your heart and pull you closer to Jesus Christ. If you are struggling as a Christian, whatever your circumstance (be it sickness, emotional pain, depression, discouragement, or just feeling and wondering if God has forgotten about you or that He has not lived up to your expectations of Him... If you've ever cried out to God and asked Him, "why? Where are you? Why are You silent?") this is a remarkable book you need to read. It may change your entire perspective on suffering and give you strength and hope when all seems to be crumbling around you. I wish I could have shared this book with my father before he passed away. This book is not what you

expect and it is not typical. Some people who have read through it have commented that it ends a little "dark."
