Synopsis

The 12th mystery in the beloved Inspector and Charlotte Pitt Victorian mystery series, now a hardcover success. When a moneylender named William Weems is murdered, there is discreet rejoicing among those whose meager earnings he devoured. But the plot thickens when Inspector Pitt finds a list of London's distinguished gentlemen in Weems' office.

Customer Reviews

For those unfamiliar with this series, Inspector Pitt is a police detective in Victorian England, in the period shortly after the professional police force was first established. Policemen were respected to a degree, but apparently had about the same social status as a skilled laborer. Pitt's wife, Charlotte, on the other hand, is from a much wealthier and higher-status family. Indeed, Charlotte's sister is married to a wealthy and well-connected man who is being considered for a vacancy in Parliament. That connection enables Charlotte to participate discreetly in Pitt's investigations when they require a peek into the activities of society's upper crust. The story: a sleazy loan shark is found shot to death in an unusually gruesome manner. Almost everyone who knew the man had good reason to want him dead. Even Inspector Pitt, who is assigned to investigate the case, can't avoid the feeling that the murderer did the rest of society a favor. But murder is illegal, and so the investigation goes on. It quickly develops that the victim was not only a loan shark, but a blackmailer as well, with several socially prominent people on his list of victims. Hence the investigation must proceed delicately. And that's where (as usual) Pitt's wife, Charlotte, lends a hand. If you are already familiar

with Anne Perry's Inspector Pitt series, you know that she's one of the very best mystery writers around. Personally, I think Elizabeth George and possibly P. D. James are her only superiors in the field. It's hard to rank one book in the series against the others, but this one certainly upholds the high standards of the entire series. The characterizations are vivid and believable, the plot is complex and captivating, and the ending is logical and satisfying.
