## **Customer Reviews**

I really enjoyed reading this book. I have read several of this author's books and I liked all of the main characters in each of these series. I would highly recommend these books to anyone who likes Amish Romance books.

Amy and James are living with her parents until they can save enough money to buy their own home. James receives a letter from a lawyer and he and Amy go to New York by train to find out

what it is all about. His grandmother whom he never knew left him \$400,000.00 and a trust fund for his half sister Heather who he knew nothing about. Heather comes to live with them and James buys a home near by and has to do makeover on it before they can move in. Heather is only 15 years old and still needs to go to school. James has no problems with Heather but she is very nasty to Amy. Read to see all the grief that happens between Heather and Amy.

Delightful read. I would recommend this story to anyone that,Enjoys Amish inspiration romance books. Am hoping to readHeathers story . Rebekah Fisher please keep writing, becauseI have read all of your kindle unlimited inspirational books.Look forward to reading more. A blessed reader.

I'm glad that Amy and James ended up married. Then they got the news of James' grandmother's death and he had been granted guardian for a half-sister, Heather. Their lives are turned upside down.

Really excellent storyline and characters that held my interest from beginning to end. Also liked the way author weaved Christian principles in the lives of the characters.

Another great book by author Rebekah Fisher. Such a great story. Everyone has a relative sorta like this lol. Great series to add to your library

The book was very well written. There was a little suspense. It told about a half sister who came to live with them and her struggles.
