# Pimsleur GoFrench Course - Level 1 Lessons 1-8 CD: Learn To Speak, Read, And Understand French With Pimsleur Language Programs (go Pimsleur)

## Synopsis

The Pimsleur® Method teaches speaking and understanding right from the start. For almost 50 years, in over 50 languages, the Pimsleur® Method has been recognized by experts worldwide as one of the fastest and most effective ways to learn to speak another language. With Pimsleur you will learn French in the same way you learned your first language as a child, acquiring the vocabulary of the new language, along with the melody, rhythm, and intonation of French as used in everyday conversation.

**The Science of Memory** Dr. Paul Pimsleur's research on memory was one of his most significant achievements: he discovered that if reminded of new words and information at gradually increasing intervals of time, the learners would remember the words or information for increasingly longer periods. Dr. Pimsleur documented that the acquisitions would actually move from short-term into long-term, or permanent, memory.

**The Reading Program** Pimsleur Language Programs use the same revolutionary learning Method to teach you to read, as well as to speak. You will start by sounding out French, learning to associate the new sound system to the English alphabet you know. Gradually you will learn to look at the words and see them with "French eyes." And you will learn to read French without an English accent. Learn on the Go! goFrench makes it easier than ever to use the Pimsleur programs by including the spoken lessons in two audio formats. Now you can listen anytime, anywhere: in your car or at home and on your MP3 player.

This package contains:

## Customer Reviews

It works.

These CDs really emphasize speaking and understanding basic French language. They give opportunity for repetition and the French spoken on them is very understandable. I was able to learn some useful phrases for my upcoming trip to France and feel I have developed a little more ability to understand spoken French. I have been doing an online French course but that seemed to emphasize vocabulary, spelling, and grammar more and I was not learning to speak or understand the language. I would highly recommend these to anyone who wants to learn to speak some basic and useful French phrases.

It helped a bit but not as much as I hoped. Hard to get into at times.
