Synopsis

In the still shadows of the confessional, a madman tauntingly reveals his plan for a murder he is going to commit, pulling Father Thomas Madden into a twisted game by disclosing his next intended victim: Tom's sister, Laurant. In a frantic race to protect her, Tom calls upon his best friend, elite FBI agent Nick Buchanan, to track the predator who is closing in on Laurant. Now, as an electrifying attraction grows between Laurant and Nick, so does the danger - and one false move will cost both of them everything that matters. "Heartbreaker moves along at a racehorse pace, its plot swerving and darting with sudden turns and jolts....Garwood's characters are well drawn." - New York Post

A murderer goes to confession asking for absolution for a crime he is going to commit. He chillingly describes how he tortured and killed his last victim. He challenges the priest to notify the authorities. The priest refuses to knowing the he can't reveal what is said in confession. The killer plays mind games with the priest letting him know he has already selected his next victim. This killing will be better, after all, practice makes perfect. The killer is convinced no one can stop him. He wants a challenge. He tells the priest to call his FBI friend to come and take the next victim into hiding. The killer will either follow or look for a new victim. He describes his next victim in such terms that the priest is shocked to realize it is his sister. The priest, Tommy Madden, panics and calls in his childhood friend to protect his sister. Nick Buchanan belongs to an elite division of the FBI. He works in a specialized division called the "lost and found." His talent is in tracking the most difficult

cases involving lost and abducted children. He comes to his old friend's aid by promising to take care of Laurant Madden. Laurant Madden takes matters into her own hands. She refuses to hide and instead taunts the killer into striking out at her. The FBI agree with what she is doing and provide around the clock protection for her. There are several secondary story lines that are interesting to go along with the plot. I have always admired Julie Garwood's writing style. She generally has strong, independent heroines and dashing, brooding heroes. I was excited to see her switch over to suspense. The synopsis I read had me hooked on this book long before it came out.
