Julie Garwood CD Collection: Killjoy, Murder List, And Slow Burn

Synopsis

Killjoy: Avery Delaney's razor-sharp mind and ability to gather data and decipher evidence has made her an expert crime analyst for the FBI. But soon she will have to use every one of her skills on a case that hits painfully close to home. Avery's workaholic aunt, Carolyn Salvetti, persuades her niece to join her for the two weeks of luxury and decadence. But Carolyn never makes it to Utopia | **Murder List:** When Chicago detective Alec Buchanan is offered a prime position with the FBI, he takes it as the perfect opportunity to leave the Windy City and follow in his brother's footsteps to the top echelons of law enforcement. But first he must complete one last assignment: acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business: Someone has e-mailed her a graphic crime-scene photo - and the victim is no stranger. **Slow Burn:** Living a successful life in Charleston, South Carolina, Kate MacKenna has always been able to turn her challenges into triumphs. But now the fates seem to be lining up against her . . . in a lethal fashion. Dylan Buchanan's convinced that she's merely having a spell of bad luck - until he discovers how many people want Kate dead.

Customer Reviews

The author is excellent as always, but my discs were jumbled, mislabeled and/or apparently missing at least one, so never got through the first story and then decided it was making my travels too exciting... wasn't able to sort it out during my commute which was, well... hmmm...

It is so nice to finally be able to listen to my favorites books on my commute to and from work

everyday. It makes a long commute bearable and doesn't make me feel like I need to rush home to enjoy my favorite book.

I love Julie Garwood, so I enjoyed all three books. However, I find Joyce Bean a dry narrator with terrible accents. Laurel Merlington did a wonderful job with *Slow Burn*. She brought character and emotion to the story. I really enjoyed her story telling.

Great author. The CDs wouldn't work on my CD player. That's why I'm giving it 2 stars. That sucks.
