Mail Order Bride: Rain In Kansas: Sweet And Clean Western Historical Romance (A Kansas Mail Order Bride Story Book 11)

Synopsis

When Catherine finds herself living in a small mountain town with her distant cousin, Pauline, she's sure that her life will start to get better. She's lost her entire family but still has her faith - and of course, this distant cousin she found when her grandmother died. However, she soon discovers that Pauline is willing to sell Catherine in order to reclaim her place in society. Fearing a marriage to a disgusting man who is much older, and corrupt, she flees to the only man she believes can help her. What she finds is a family in turmoil and a man who carries the scars of a lost love. If she can help him heal, she just might have a chance at the life she dreams of. Like the Kansas rain heals the prairie, will Brody allow Catherine to help him warm his cold heart, allowing a love to grow that will last a lifetime?

Customer Reviews

CATHERINE was always cheerful no matter her circumstances after her parents died her grand mother raised her. When passed away she left some money but she kept it to herself. She went to live with a cousin Pauline who was a widow who once was wealthy. She is talked into turning her

large home into a hotel by the mayor Don Hayward who wants to make. CATHERINE his fifth wife, his first four have died. She runs to Kansas to marry Brody Anton who advertised for a wife. I myself found this book interesting but I would like to know what are the odds of a man burying four wives from natural causes?

The story of a young lady who lost her family, was raised by her Grandmother until her death then sent to a Cousin to live with. The Cousin used her as a maid then sold her to a man twice her age who she ran from to a man who had advertised for a Bride. A must read for those who enjoy historical western romance kindle books from at a special price and from a special author who keeps me entertained throughout the entire book before putting it down. Loved this book.

I really enjoyed this book. Fast-paced and entertaining. I highly recommend the entire series!

Fantastic story, I enjoyed every word and every minute of the reading of this book. Thank you for this wonderfully written story of a mail order bride. Please keep writing your stories.

5 star's for this book by Annie Boone. As usual I enjoyed the book and I hope that you will also. This story is about a girl and her life after her grandmother's death. Enjoy!!!!
