Customer Reviews

This book is fantastic! As soon as I saw it (just the first few pages), it made me curious to know more. It's incredible how one can grasp your attention with just a few four-letter words! And it was

only me, to say nothing of the children. The illustrations are awesome, as is the page layout, the size of the letters and the text itself - it all urges you to flip it on and read up! It also makes you ask for more books equally keeping your child turning the pages over again and again.

Look at things from a different perspective! Enjoy the simplicity! Descriptive pictures, underlined by expressive short words, sufficiently creating a world to dive into. I read Russita`s books like comics, again and again, to enjoy the subtle humour, the eye-pleasing lines, the simple yet rich experience, just as relaxing as it is inspiring! Recommended for all readers, young or old, with just a tiny knowledge of Russian, or all readers with either eyes, ears, or both!

Oh! Thanks a lot! When my daughter saw the book, she said, "I'll read it myself ?!" She read with great pleasure. We just teach the syllables, but read the whole book! And my daughter laughed and rejoiced! This is a very funny book. In this book, only short words, but there is a funny story. And cute pictures. My daughter said she wanted to read the book itself again and again! Author, draw more, write more, we liked your books!

My 3 years old daughter loves this story. Very nice book, supposedly for 0-5 years old kids. Illustrations are simple but beautiful. Newborn babies can follow black-and-white illustrations and get used to books. 1-3 year old kids will definitely like the storyline about animals. My daughter played guessing games with the book. Also, convenient for teaching kids to read.

My children and I like this book! It is easy to read for Russian language reading learners. Beautiful drawings by Tanja are simple and funny. And story-telling! //

Great book! This is exactly what young readers need: funny and a bit "detective" stories with very cute illustrations and very easy words for reading! I wish there would be more such books in

russian.
