Customer Reviews

5/5 because the old story was so good. no book series has ever left me to the point of almost crying when it was about to end. when the new series came up i was so happy that i almost squealed with joy! please make this book series longer then the last if you can. and can you please bring back

emman's girlfriend fast? she was a character that i felt we needed to know more about! overall this book series is one of the best and i'm looking forward to this new one.

I apologize for the previous review. My argument still stands, but I realize I'm not even the target audience. It's not a bad read, but to me, the earlier adventures were better. That's only my opinion, however.

Was an awesome book, please make more books in this series. Because you shouldn't end the series on a cliff hanger.

also add the original taste of the herobrine qso its better read and i still can't spell d j j g r a s s

Great book. Yay yay yay yay yay yay yay yay. Awesome. Ya yay ya yay ya ya ya ya ya.
