## Customer Reviews

As a student of the Spanish language it is a little difficult to keep up with the speed of the translation but I am picking up most of the content. I am sure that with practice it will be as useful to me as Rosetta Stone. For all the prospective LDS missionaries and those who are new in missions as Spanish speaking missionaries, This will enhance your language skills.

Used this audio for those who speak Spanish to introduce them to their history. A very useful tool to use in overcoming misunderstandings.

My daughter loves listening to the Book of Mormon in Spanish on her mission!
