El Secreto Del Bambu (The Secret Of The Bamboo) (Spanish Edition)

Synopsis

The story takes place in a remote village of the South American , where bamboo is present throughout. The head of the community, Huascar, was an elderly teacher who, after touring the world, decided to live in the jungle. Huascar leaves a legacy as a souvenir, where he had been working in his studio for years in secret. This story reminds us that what matters most in life is not what appears to be the most exotic, but what is the most precious. A work of fiction based on the discovery of a father's secret hidden in bamboo sticks, for that would serve as a lesson for his children to learn.
