Purchased this book for my girlfriend. She loves it. Always speak of La-La Anthony as if she was speaking directly to her. There are lessons from this book that my girlfriend has taught me. About leaving your prior place of employment gracefully, being aware of your social media brand, cutting the cord with certain people, and more.

A simple yet practical read. Thoroughly enjoyed the advice Anthony shares. As I am currently in a

plateau in my young career, I feel inspired to center myself and prioritize my current situation. With the advice provided I plan on exploring my travel desires as well as tapping into skills that'll help me launch my new career/business. Thanks for taking the courage to follow your path and sharing with others. I look forward to where my journey will lead me
