## Synopsis

Bounty hunter Stephanie Plum and Trenton vice cop Joe Morelli join forces to find the madman killer who shot and barbecued the youngest son of international black-market arms dealer Alexander Ramos. Carlos Manoso, street name Ranger, is caught on video just minutes before the crime occurs. He's at the scene, he's with the victim, and he's the number-one suspect. Ranger is former special forces turned soldier of fortune. He has a blue-chip stock portfolio and no known address. He moves in mysterious circles. He's Stephanie's mentor--the man who taught her everything she knows about fugitive apprehension. And he's more than her friend. Now he's the hunted and Stephanie's the hunter, and it's time for her to test her skills against the master. But if she does catch him...what then? Can she bring herself to turn him in? Plus there are other things keeping Stephanie awake at night. Her maternal grandmother has set up housekeeping in Stephanie's apartment, a homicidal maniac has selected Stephanie as his next victim, her love life is in the toilet, she's adopted a dog with an eating disorder, and she can't button the top snap on her Levi's. Experience the world of Plum--in Janet Evanovich's new thriller. It's surreal, it's frenetic, it's incendiary. Hot Six. It's the best yet.

## Book Information

## Customer Reviews

I discovered Evanovich's Stephanie Plum series the last week of May 2000. Books one through five were finished by June 10, 2000. Hot Six was released June 20th, and I finished it on June 22d.

Look, I have a life, honest. Mystery books come in and go out of my bookshelf. This series is here to

stay. In Hot Six Evanovich continues to satisfy the demands of this picky reader. Stephanie Plum, still-learning bounty hunter from the burg of Trenton NJ finds herself in the middle of it again, with favorite characters present and driving poor Stephanie nuts: Grandma Mazur, the gang at Vinne's bond office, the ever elusive Ranger, and of course everyone's favorite handsome rouge cop, Joe Morelli. Not just more of the same though. Evanovich adds new colorful characters to her well-developed cast, folks I hope we'll see again. The book jacket tells you about the story. Let me tell you why you should read it. This book, like the rest in the series, is fast-paced and full of humor, from the tried and true characters, to the new and often nutty characters. So many mystery books have "downtime", where we leap into the next day or skip over how we get some information, and forget the drudgery of meals. Hot Six is full of detail, and the belly laughs come from the detail. Hot Six takes you all the way, showing you the day in and out, with all the guffaws. It draws its humor during "down" times in the case - the surveillance, the what-is-going-on-in-the-world-while-the-main-chase-is-on. Evanovich has a true talent for efficiently developing her characters into lively personable and oh so funny people that could, but thank goodness some don't, live next door.
