Customer Reviews

This series is awesome! As always, H. H. Fowler, you are a very gifted writer with great story-telling skills. May your work always be blessed to continue writing stories that blesses and are thought-provoking. I truly enjoy reading your work.

I really enjoyed this series of books I really enjoy how Faith was the foundation of true love

throughout the books and you allow us to know that we all fall short but faith is what keeps us going
thanks enjoyed reader

It kept my attention and had me not wanting to put the book down. I like all the details of the characters and their stories.

Drake and Shasha had many ups and downs. But their faith in God was not hindered. This is a great read of testing your faith. I could not stop reading wanting to finish the book.

I loved the books and fell in love with the characters and the story lines. At some points it felt like old scenes kept being rehashed and made the book feel drawn out

From the beginning you see drama, mystery, Christian principles and how the Holy Spirit works firsthand when you let God rule and guide.

If you're looking for a great love story this is it. It's a great Christian story and I can't wait till another series is released
