When Sarah says good-bye to all of her husband's funeral visitors, she just wants to be alone to adjust to living alone. That is when her mother arrives baggage in hand to announce now that she is going to stay so Sarah can take care of her mother in her old age. Since she did not get along with her mother ever, she is not happy about it but what choice does she have. She has to sell her mother's house in Ohio. There she meets Isaac. Her mother schemes to get them into a romance. Do you think her mother will succeed? I recommend this book. I like stories that have older, wiser women. Much more interesting to read about. I know I will be reading more of this series.

A beautiful story and the ending was satisfying. A lovely nicely written book. The entire series has been wonderful reading.

Sarah would've thought things couldn't get worse when her husband died but her mother shows up and wants to move in. When Sarah tells her about having a baby her mother isn't happy and wants Sarah to build onto her house for her. Again it was another well crafted story by ms price.

This is a lovely and beautifully written Amish romance story with relatable but unique characters. I would recommend it to my friends.
