Customer Reviews

This is a Seven Audio CD set. (Teacher's version) The study guide for Makino Hatasa Japanese 1 comes with a single audio CD. The student's version audio is available on-line at several University websites. (You have to look for them.) Make sure you have a purpose for taking Japanese, not just curiosity. It is a hard class. You will learn to read and write Japanese, (along with vocalizations). My son is doing well in this class. The learning curve is way up there.

Everything I was expecting and more. I originally purchased this after I lost my companion CD that came with the book. Easy to navigate through the chapters.
