Excellent. The writing style is succinct and easy to read. It is styled like a textbook, divided into numerous sections, each with numerous practice exercises. If you want to learn the superior way to dictate English, look no further.

Good book. Much easier to learn this system over other shorthand methods.

I learned the old style Gregg shorthand in college, which is tedious at best, so I thought I would try teeline, so far not to bad. The book is in great condition and arrived quickly.
